GENDER EQUALITY MISSION

“Sexism is an ideology that is based on the idea that women are inferior to men. It comes in many different forms, ranging from those that seem harmless (stereotypes, “jokes”, remarks) to the most serious (discrimination, violence, murder). It is the main obstacle to true equality between women and men.”

**Ministry for Equality between Women and Men,
Diversity and Equal Opportunities**

Presentation of the Gender Equality Mission

Who?

- To spread a culture of equality (training ourselves to train others)
- To support and value the range of courses and research in connection with equality
- To contribute to implementing initiatives in support of professional equality
- To promote the implementation of non-sexist communication

Gender-based and sexual violence - Seeking help

Emergency numbers for all of France

In the event of danger, **call:**

17 for the **police** and gendarmerie

15 for the **paramedics**

115 to leave a domestic violence situation and access **emergency accommodation**

112: unique European number to reach the **emergency services**

These emergency numbers are free and can be called from a landline or mobile, even one that is blocked or has no credit. They are accessible 24/7.

If **you cannot talk** or call safely:

send an **SMS** to **114** to talk to the **police**

make an **online report** to the police on arretonslesviolences.gouv.fr

If you are a victim of domestic violence, you can also report to the **police station**. At night, they are obliged to provide you with safety.

Reporting & support systems at Université Gustave Eiffel
